Project Narrative *

I would like to host a Bozeman Meet Up here at the County Courthouse. There are numerous new GIS folks here in the Bozeman area and we have no users group that is active in this region. I thought I could host an event here and invite as many people as I know to come and meet or re-meet each other. I would plan to use it also as an opportunity to introduce individuals to MAGIP and the annual MAGIP events. Everyone would have an opportunity to speak for 5 minutes or so introducing themselves and what they are working on.
