Project Narrative *

Great Falls GIS Meetup (GFGM) at Black Eagle Brewery

-Networking and social opportunity for local GIS professionals & users in the area. We will have a short presentation by City of Great Falls Mapping & Addressing Division, we'll also be promoting the upcoming Big Sky GeoCon in Helena and be do a raffle drawing giving away a couple MAGIP swag items.

Meetup Intentions:

This meetup is intended to be continuing education and a user group meeting for those apart of the GFGM and others from the surrounding area that may be interested.

MAGIP's participation:

This meetup is requesting to use budgeted funds for the meetup. The funds will be used to provide a beverage for the users to enjoy during the event. Requested funding, maximum \$200.
