Project Narrative *

2019 Montana Library Legislative Night Reception

On February 5, 2019, the Montana Library Association will present its annual legislative reception at the Montana State Library. This biennial event is a chance for the Montana Library and GIS communities to network with and tell our stories to Montana Legislators. This event is one of the best attended events on the Montana Legislative social calendar.

MLA seeks MAGIP's financial assistance in making this event a great chance for us to make an impression on the folks who make decisions that affect us all. MAGIP has been in partner for at least the last two Montana Library Legislative Night receptions and we hope we can count on your support again.

Project Start Date *	<u>Tuesday, February 5, 2019</u>
----------------------	----------------------------------

Project Completion Date	<u>Tuesday, February 5, 2019</u>
-------------------------	----------------------------------

Applicant Resources to be committed to this project*	The Montana Library Association has budgeted \$2,500 for the event, but that is only half of what is needed to put on this reception. Donations for Library Friends and Library Foundation groups from all over the state, as well as other professional organizations and vendors will make up the difference in budget.
