Project Narrative *

A few local GIS professionals here in Billings, MT would like to host a meet-up at Tiny's Tavern for GIS Day on November 17th. We have a room reserved for the evening and have spoken to a few folks interested in attending the event including professionals at the City of Billings, the DOR, BLM, and some private consulting entities. Event would be a networking opportunity for GIS professionals in the area, I would provide some MAGIP swag, and we would discuss/showcase the web map results.

The official request is in regards to providing some pizza and wings for the attendees making it a MAGIP sponsored event! Not sure on the total headcount at the moment, but would like to request up to \$250 to cover food and tip if funding is available? We have a flyer prepared that I will be sharing with the board next week.

Please let me know if you would like additional information on the event.

Thanks!
Mike Krueger
