Erin,  
We had this request for assistance on the agenda. We approved you for the full \$250 amount. This will be a reimbursement after the event so please save your receipts and submit them to us afterwards. Nate will then cut you a check. We did have a question, do you know what time this event would be? We do have our quarterly meeting in Bozeman that day but it should conclude by 3:00.

Thanks,

MAGIP Board of Directors

Erin,  
Do you know what time this event would approximately start? We have our board meeting in Bozeman that same day and we have several of us that would be interested in attending.

Thanks,

MAGIP Board of Directors

Perfect. We'll be sure to wrap up our facility tour of the Grantree before 3 to make it back to Helena. Keep us in the loop when you decide on a venue and an official start time and we'll help promote the event.

Thanks,

MAGIP Board of Directors
